

ACA Junior Camp
Alex Vining in NobhIII Velo kit.

Active Knowledge Cycling Team will be adding a variety of scary components to this years AK race. Not that the course will be that bad, but the haunted mesa will be alive. I mean dead, with ghouls, ghost and other scary things. So bring out the family. We're sure you'll have a thrill of a ride.

There will be several awards for the best, scariest, and weirdest costumes.

Prizes for 1st-3rd in the overall of each race.
