Never tried cyclocross or want to brush up on your skills? Learn from local experts the art of cyclocross!

The clinic will utilize portions of the Roosevelt Cyclocross race course to be used the following day, so a great opportunity to prep for the first cx series race of the season. While a cyclocross specific bike is recommended, mountain bikes can be used for the clinic and series races. The clinic may also qualify you for upgrade points from USACycling. This is a USAC sanctioned clinic, USAC permit 2016-2774. USAC license is required either an annual or one-day license (\$10). 1-day lic will be available for purchase at clinic. Approved helmets must be worn at all times while on bike.

Promoting club is Rob and Charlies.

Directions: Take I-40 to the Tijeras exit. At the intersection of 333 (old route 66) go south about 05 mi. to first left on Public School rd to Roosevelt parking lot.
