BernCo Commission Has New Chair and Vice Chair

District 2 Commissioner Art De La Cruz is the new chair of the Bernalillo County Commission and District 5 Commissioner Wayne Johnson is the new vice chair. De La Cruz and Johnson will serve in their respective leadership capacities for the 2016 calendar year.

Community Input Requested on Behavioral Health Business Plan

Bernalillo County now has a formal business plan to serve as a road map to assist the county in leveraging resources, while working with the community to develop and implement a cohesive regional behavioral health care system. The business plan makes specific recommendations for how the county and the community should move forward to address unmet needs. A coordinated crisis care system is one of the core recommendations. Please visit www.bernco.gov/BC-behavioral-health to read the Behavioral Health Business Plan in full. A community survey asks for public comment on how the county and its community partners should prioritize the recommendations — which can be scaled up or down to fit the needs of the community.

Hang Up on Fraud

The U.S. Department of the Treasury has issued a public service message to warn taxpayers about phone scammers who claim to be Internal Revenue Service agents. The tipoff is if you don't pay them immediately then they state that you will go to jail. The IRS would never make a telephone call like that. If you receive a similar type of phone call from someone claiming to be with the IRS, you should HANG UP.
