Mr. Gray Eyster

I am writing you today because we are applying for a Craft Distiller off-site Liquor License. This will provide our existing tap room located on 118 Tulane SE the opportunity to provide our guests with our craft spirits line. This license will allow our small business to serve our community with carefully curated craft cocktails and package sales. We are very excited to explore this component of our business in the Nob Hill Neighborhood. Covid-19 has greatly affected our business as I'm sure you can imagine; 2020 has Tractor Brewing exploring many new possibilities of revenue streams in order to keep the lights on and our dedicated staff employed. I would like you to feel free to contact me in advance of this meeting should you have any questions or concerns as well as attend the meeting. My contact information is below. Hope to hear from you.

A public hearing is scheduled for October 27, 2020 at 9:00am in the City Council Committee Room #9081, located on the 9th floor, of the Albuquerque/Bernalillo County Government Center, One Civic Plaza NW, Albuquerque, New Mexico.

NOTICE REGARDING COVID-19. Everyone attending the hearing must adhere to City and State policy regarding social distancing and wearing masks on City property, including in the hearing.

The hearing format is subject to change to a virtual "Zoom" remote hearing format if the City Council or the State recommends such changes. If any persons desire to testify or otherwise participate in the hearing, please contact Donna Montoya, Liquor License Coordinator at: (505) 768-3147 or by email donna@cabq.gov
