

CONSTRUCTION UPDATE

CAMPUS BOULEVARD NE

FY21 Small Diameter Waterline Replacement (2320.02202)

After careful consideration, the project team has decided to postpone the water line work between Monte Vista and Girard on Campus Boulevard until the summer of 2022. Water line work will continue along Campus Boulevard between Monte Vista east to Amherst.

Barricades to close northwest-bound Campus are already in place and will remain until the scheduled completion date of **April 1, 2022**.

REMINDER: SOUTHBOUND MONTE VISTA WILL BE CLOSED UNTIL FEBRUARY 11.

How will this improvement project impact you?

1. No left or right-hand turns will be permitted at Purdue, Berkeley, and Amherst to and from Campus Boulevard. Please avoid these areas, if possible.
2. Access will be maintained to all residences and businesses along Campus. Please speak with the construction crews for any concerns you have regarding access to your home or business. Always drive through the work zone slowly and use caution.
3. For trash pick-up days, place your trash bin in its usual spot. The City of Albuquerque has been notified of this construction and the crews will accommodate the solid waste truck on trash days.
4. Contractors will do everything possible to ensure that water service is maintained for the duration of the project. However, un-planned or planned shut-offs may occur during construction.
 - a. **Un-planned shut-offs:** no advance notice.
 - b. **Planned shut-offs:** 24 hours advance notice detailing the service interruption date and times.

Regular work hours will be Monday-Thursday 7:00 a.m. – 5:00 p.m. and Fridays as needed, but barricading will remain in place 24 hours a day, 7 days a week for safety.
