

CONSTRUCTION UPDATE

PAVING BEGINS THIS WEEK – NEW SCHEDULED COMPLETION DATE

FY21 Small Diameter Waterline Replacement (2320.02202)

The paving along southbound Monte Vista was due to begin last week, but with the frigid temperatures and moisture, this work was postponed.

Paving has now begun on Monte Vista this week with the final touches continuing over the next two weeks; particularly valve adjustments and road striping.

The new scheduled completion date for southbound Monte Vista Boulevard is **Friday, February 25**.

Thank you for your continued patience as we work to complete this phase of the project.
