

# HELPING SENIOR CITIZENS AND THE FAMILY MEMBERS LIVING WITH THEM WITH MINOR HOME REPAIRS AND RETROFITS, HOUSEHOLD BILLS, AND FREE GROCERIES

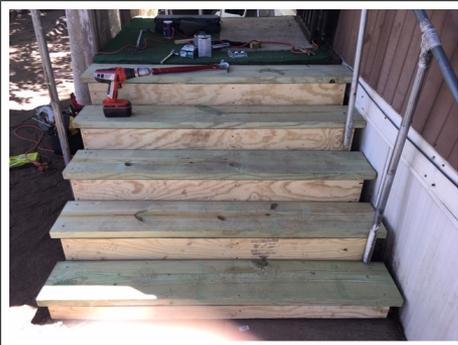

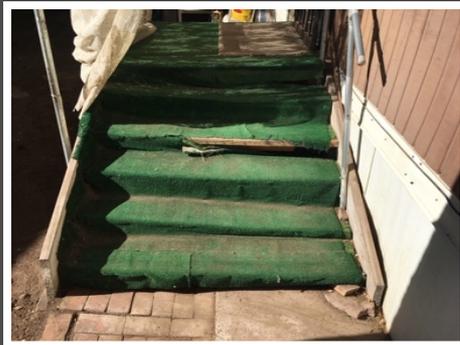

*We help  
seniors from  
Santa Fe to  
Belen, and  
from Moriarty  
to Laguna.*

Silver Horizons helps with vet bills so a senior does not have to euthanize their buddy if they cannot afford a vet bill.

## **SILVER HORIZONS HOSTS IN-PERSON SHOPPING, DRIVE-UP MARKETS & DELIVERS GROCERIES TO SENIOR LIVING APARTMENTS AND TO HOME-BOUND SENIORS**

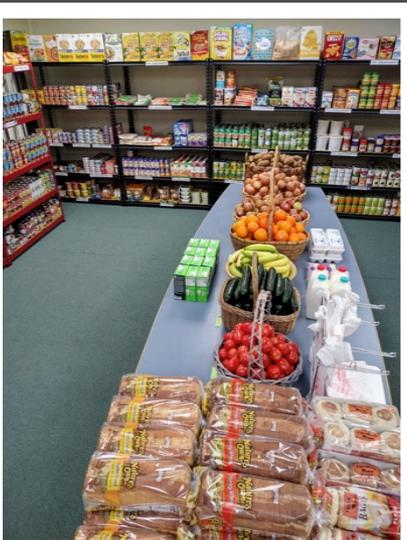

Support from the community makes possible free grocery distributions. In this photo, we expected 200 seniors (and their family members) at a recent drive-up/pickup market. Volunteers ended up providing over a week's worth of free groceries to 803 seniors and their grandchildren!

During “normal” times, about 65% of the groceries we distribute are donated.

At all times, we partner with area suppliers to purchase groceries below retail.

Currently, less than 25% of the groceries we distribute are donated. Our best food drive sites (schools, large office buildings, and churches) are not yet back to normal activities.

Unfortunately, food costs are rising at an unprecedented rate.
