Come join us to learn about worshipping God through the arts. Workshops in music and dance, visual art, hand chimes, and storytelling/drama will be offered throughout the week. Campers will be able to share what they learned by leading us in worship on Sunday, June 18<sup>th</sup> @ 10am. A reception for participants and families will be held following worship.

Does your child have a younger sibling who would enjoy learning some of the arts in worship? Email [office@montevista.org](mailto:office@montevista.org).
