City of Albuquerque Public Meeting

Lead & Coal Studies

Heights Community Center | 823 Buena Vista Dr SE, Albuquerque, NM 87106

The City of Albuquerque is excited to host the final public meeting to share the results and recommendations of the Lead & Coal Study. This study focuses on the corridor from Broadway Boulevard to Washington Street, with proposed solutions to enhance safety and improve the area for all users.

We encourage residents, business owners, and all interested parties to attend this important discussion. Your insights and feedback are essential to the success of this project as we work together to build a safer, more resilient Albuquerque.

Snacks and refreshments will be provided.
Let's collaborate to make a positive impact in our community.
We hope to see you there!
