Dear Nob Hill residents:

We are pleased to inform you that the University Heights in Bernalillo County, will be considered for listing in the National Register of Historic Places by the New Mexico Cultural Properties Review Committee at their next meeting. This meeting will take place at the Bataan Memorial Building in Santa Fe and online at 1:00 p.m. on June 6, 2025. You are cordially invited to attend. Information about joining the meeting will appear on the Historic Preservation Division website at <http://www.nmhistoricpreservation.org/cprc/meeting-schedule.html>. You may view a copy of the nomination at <https://www.nmhistoricpreservation.org/cprc/pending-nominations.html>.

The National Register of Historic Places is the nation's official list of properties worthy of preservation. Listing in the National Register provides recognition of important prehistoric and historic places and assists in preserving New Mexico's cultural heritage. *Listing in the National Register does not restrict the private use of property by the owner or restrict the property owner's ability to sell, transfer, or develop the property.*

Owners of private properties nominated to the National Register have an opportunity to concur in or object to listing, in accordance with the National Historic Preservation Act and Federal regulations 36 CFR Part 60. Any owner or partial owner of private property may object to listing in the State or National Register. If you choose to object, send a notarized statement certifying that the party is the sole or partial owner of private property, as appropriate. Submit objections to Michelle Ensey, New Mexico State Historic Preservation Officer, at the address given above, before the CPRC reviews this nomination.
