Offices Close on Monday September 6th for the Federal Holiday *Labor Day Holiday*

Albuquerque, NM – Sept 1, 2021. All Cibola National Forest and National Grasslands (NF & NGs) Supervisor and District Offices will be closed on Monday, September 6, 2021 in observance of the Labor Day Federal Holiday. The offices will resume regular business hours on Tuesday, September 7th.

Cibola NF & NGs anticipates a large number of visitors over the holiday weekend. Please [recreate responsibly](#) and follow [state public health orders](#) and [Centers for Disease Control guidelines](#) to prevent the spread of COVID-19. Although fire danger is decreased, campfire safety and prevention is always a priority. Never leave a campfire unattended, and make sure coals are cold to the touch before leaving the area.

Know before you go. Check the weather forecast and be prepared for seasonal fluctuations in temperature and reduced daylight hours. Use good judgment and basic safety precautions when recreating. Do not rely on cell phones for safety because you may not always have cell coverage in remote sections of the forest or grasslands.

If you plan to visit, please follow "[Leave No Trace](#)" principles:

- Plan ahead and prepare
- Travel and camp on durable surfaces
- Dispose of waste properly
- Leave what you find
- Minimize campfire impacts
- Respect wildlife
- Be considerate of other visitors
