

On Thursday, December 2nd, ten FOSM volunteers continued building northward on the new Wagon Trail extension towards the Sulphur Canyon Picnic Area. SRD Trails Foreman Russell Berman joined for a while to confirm pin flagging on the trail ahead. This session's section had a steep sideslope, so benching the tread meant moving a LOT of dirt, and the crew slowed down to focus on high quality work. Bruce and Eric removed several high-stumps. Temps were pleasant, if unseasonably warm.

The volunteers were David Bernstein, Jenny Blackmore, Byron Garner, Bruce Hansche, Jim Houle, Pat & Mike Madden, Rich Miller, Eric Russell and Cleve Sharp.
