

On Thursday, December 9th, eleven FOSM volunteers continued building northward on the Wagon Trail extension towards the Sulphur Canyon Picnic Area. The morning was cloudy and breezy, with chilly temps, but the crew had no trouble staying warm, and the sun came out for lunch. Flatter terrain + a large crew = fast progress this time!

The volunteers were David Bernstein, Jenny Blackmore, Sim Cook, Byron Garner, Jim Houle, Jeff Huser, Pat & Mike Madden, Rich Miller, and Eric Russell.
