

Dear Bob,

My family and I would like to thank you ever so much for your card and kind words after Robert Fruek's passing.

We appreciate you getting the sad news out to his high school friends; so many of them sent us their condolences. It was so comforting to see so many at the wake.

Since I do not know how to contact them, would you

be able to mass email them with our thanks? It is sincerely appreciated.

Again many thanks for all you have done.

Sincerely,
Betty
